

**Honor Guard Report
VVA Chapter 991
January – February**

It is sad to say our Funeral Honor Guard was requested to perform many funeral missions this month. So many of our WWII Veterans are passing, and now we see our Vietnam Brothers are passing at an alarming rate.

In January and February our Flag Detail had six missions and we must remember, we fill in when the active military honor guards can not perform these duties, and it is our Honor to render the final respects for fallen Veterans.

Missions this month;

Clyde B. Wainwright, 82 yrs., US Army 25 years of service, and passed Commander of the VFW.

Terry D. Tucker, US Army, Vietnam Veteran.

Homer R. Dennis, 68 yrs., US Army, Vietnam.

Jack Fitzgerald, 91 yrs., US Navy WWII, Pearl Harbor.

T.R. “Roosie” Ward, 93 yrs. US Army WWII.

John G. Albright, 85 yrs., WWII, US Air Force & US Navy, served on the USS Nevada.

991 Color Guard led the Martin Luther King Parade on 16 Jan. a real honor.

The Color Guard led the Madre Gras Parade Feb.11 and as usual they were looking good.

We will have our monthly practice Tue. 28 Feb. at 6:00 PM, at the Palestine Mall. All VVA and AVVA members are invited, now is your chance to become a proud member of the VVA Chapter 991 Honor Guard.
